

Dear Sir/Madam,

Durgapur Steel Plant Hospital, Durgapur is privileged to host the "45th All India Steel Medical Officers Conference from 12th to 15th Feb 2026".

This prestigious annual event serves as a premier platform for clinicians from Steel Industry Hospitals including those under SAIL to showcase their clinical research, exchange best practices, and engage in meaningful academic discourse. The conference will feature scientific sessions, paper presentations, panel discussions, and talks by renowned guest speakers across India.

For pharmaceutical and healthcare companies, this conference offers a valuable opportunity to connect directly with leading clinicians, present innovations, and share insights through seminars, workshops, stalls, banners and product exhibitions.

On this occasion, a souvenir will also be published, carrying articles, scientific papers, and advertisements from our valued partners.

We cordially invite your esteemed organization to be a part of this significant event by extending sponsorship support as per the tariff options outlined. Your generous contribution will not only enhance the success of the conference but also strengthen your visibility among key decision-makers in the healthcare sector of the steel industry.

We look forward to your wholehearted support and active participation.
